New Adjustable Hole Saw from Klein Tools® Makes Hole Cuts Quick, Accurate and Clean

December 19, 2023 (Lincolnshire, IL) - Klein Tools® (NYSE:KT) has introduced a new adjustable hole saw, the JTQ00000912, which is designed to make hole cuts quick, accurate and clean. The JTQ00000912 is a 1/2" diameter hole saw that is adjustable to fit a range of hole diameters from 1/2" to 1 1/4". It features a unique design that allows the user to adjust the depth of the hole cut, making it ideal for applications where a clean, accurate hole is required. The JTQ00000912 is made of high-quality steel and is designed to last. It is available in a variety of sizes and is a must-have for any professional or DIYer. For more information, visit www.kleintools.com.
